Ten films by Abbas Kiarostami

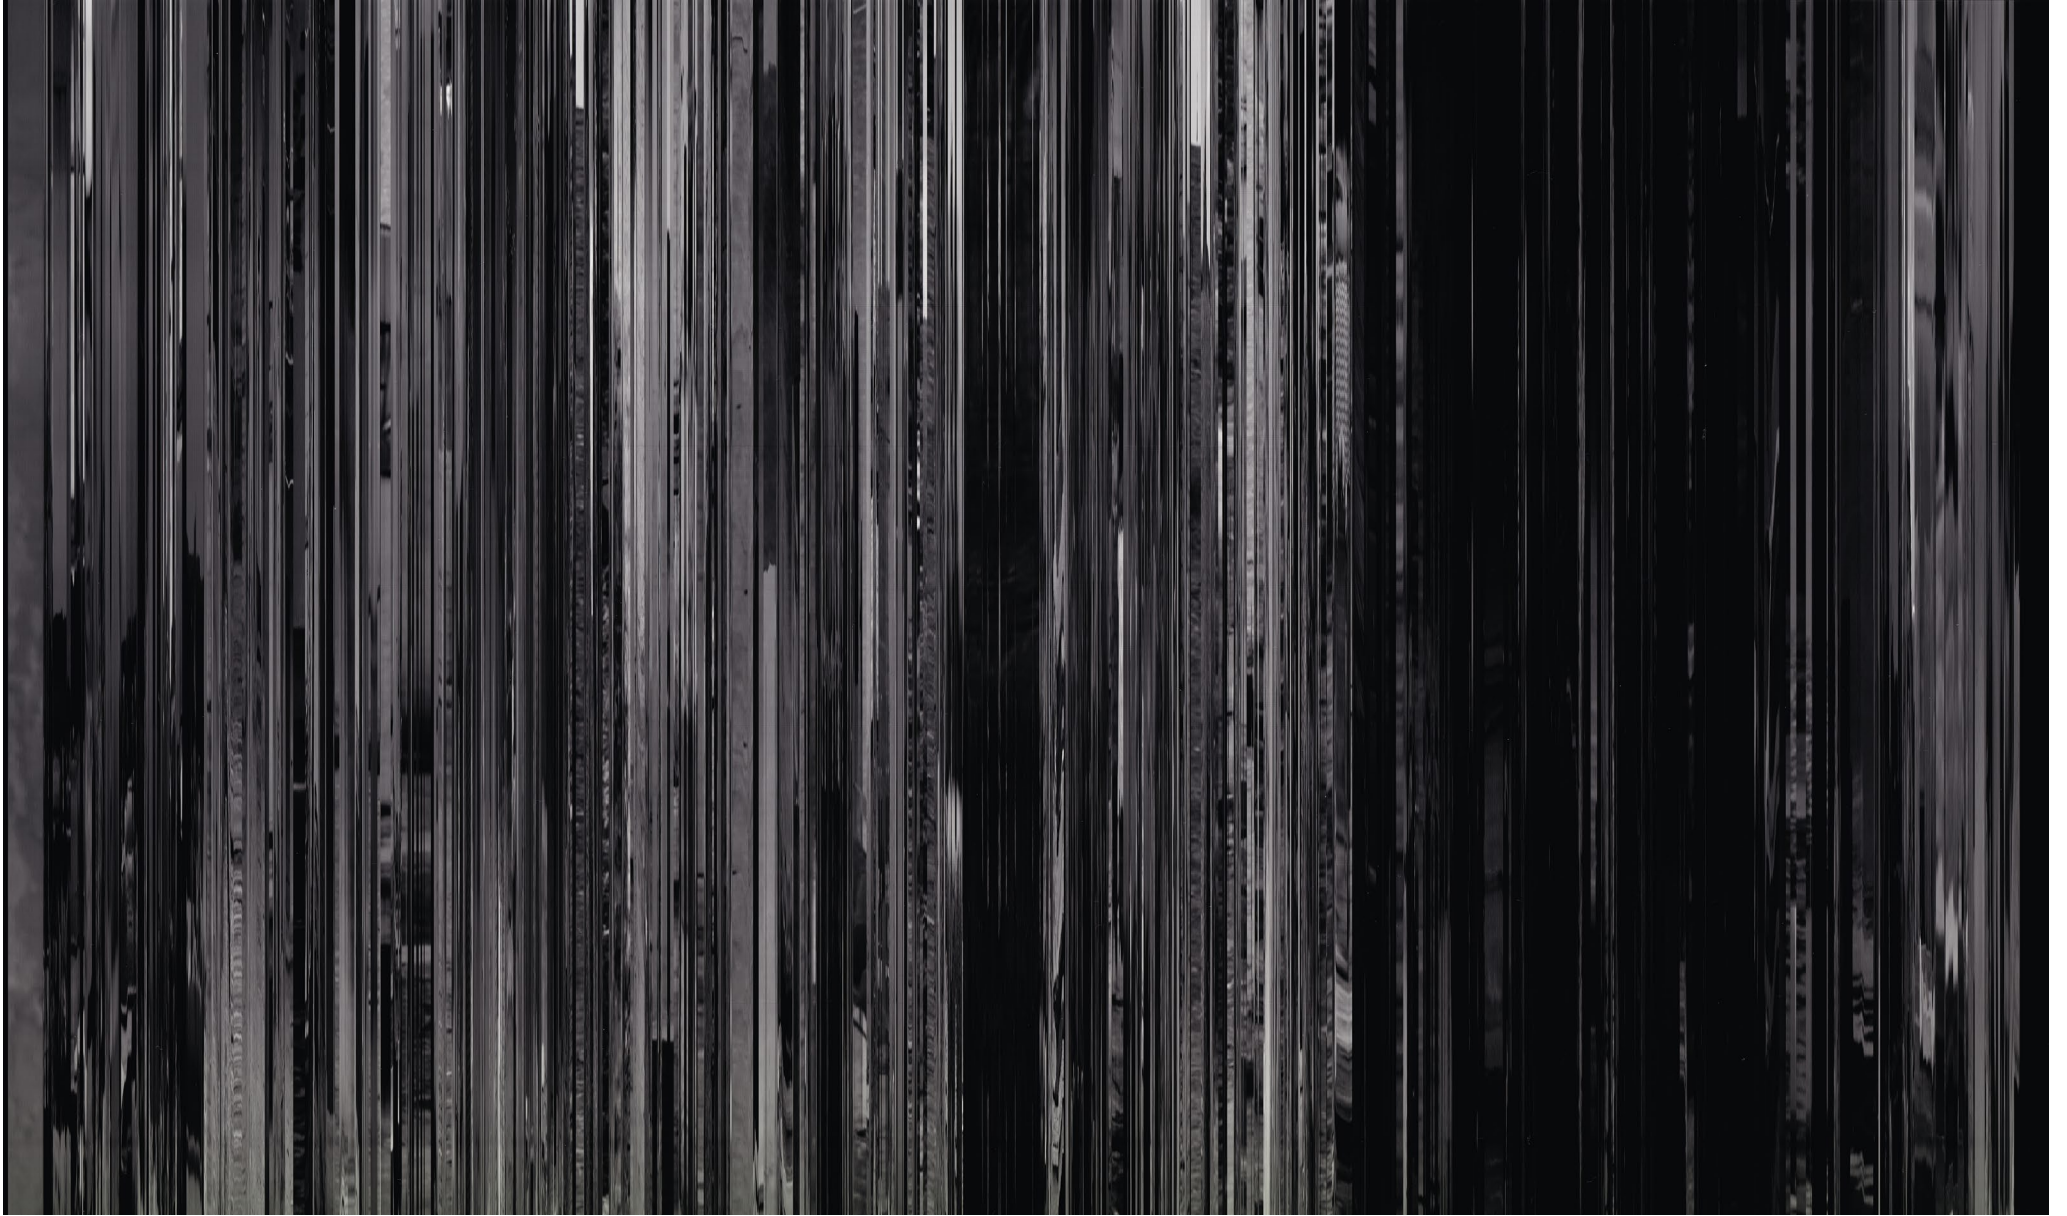

Close-up

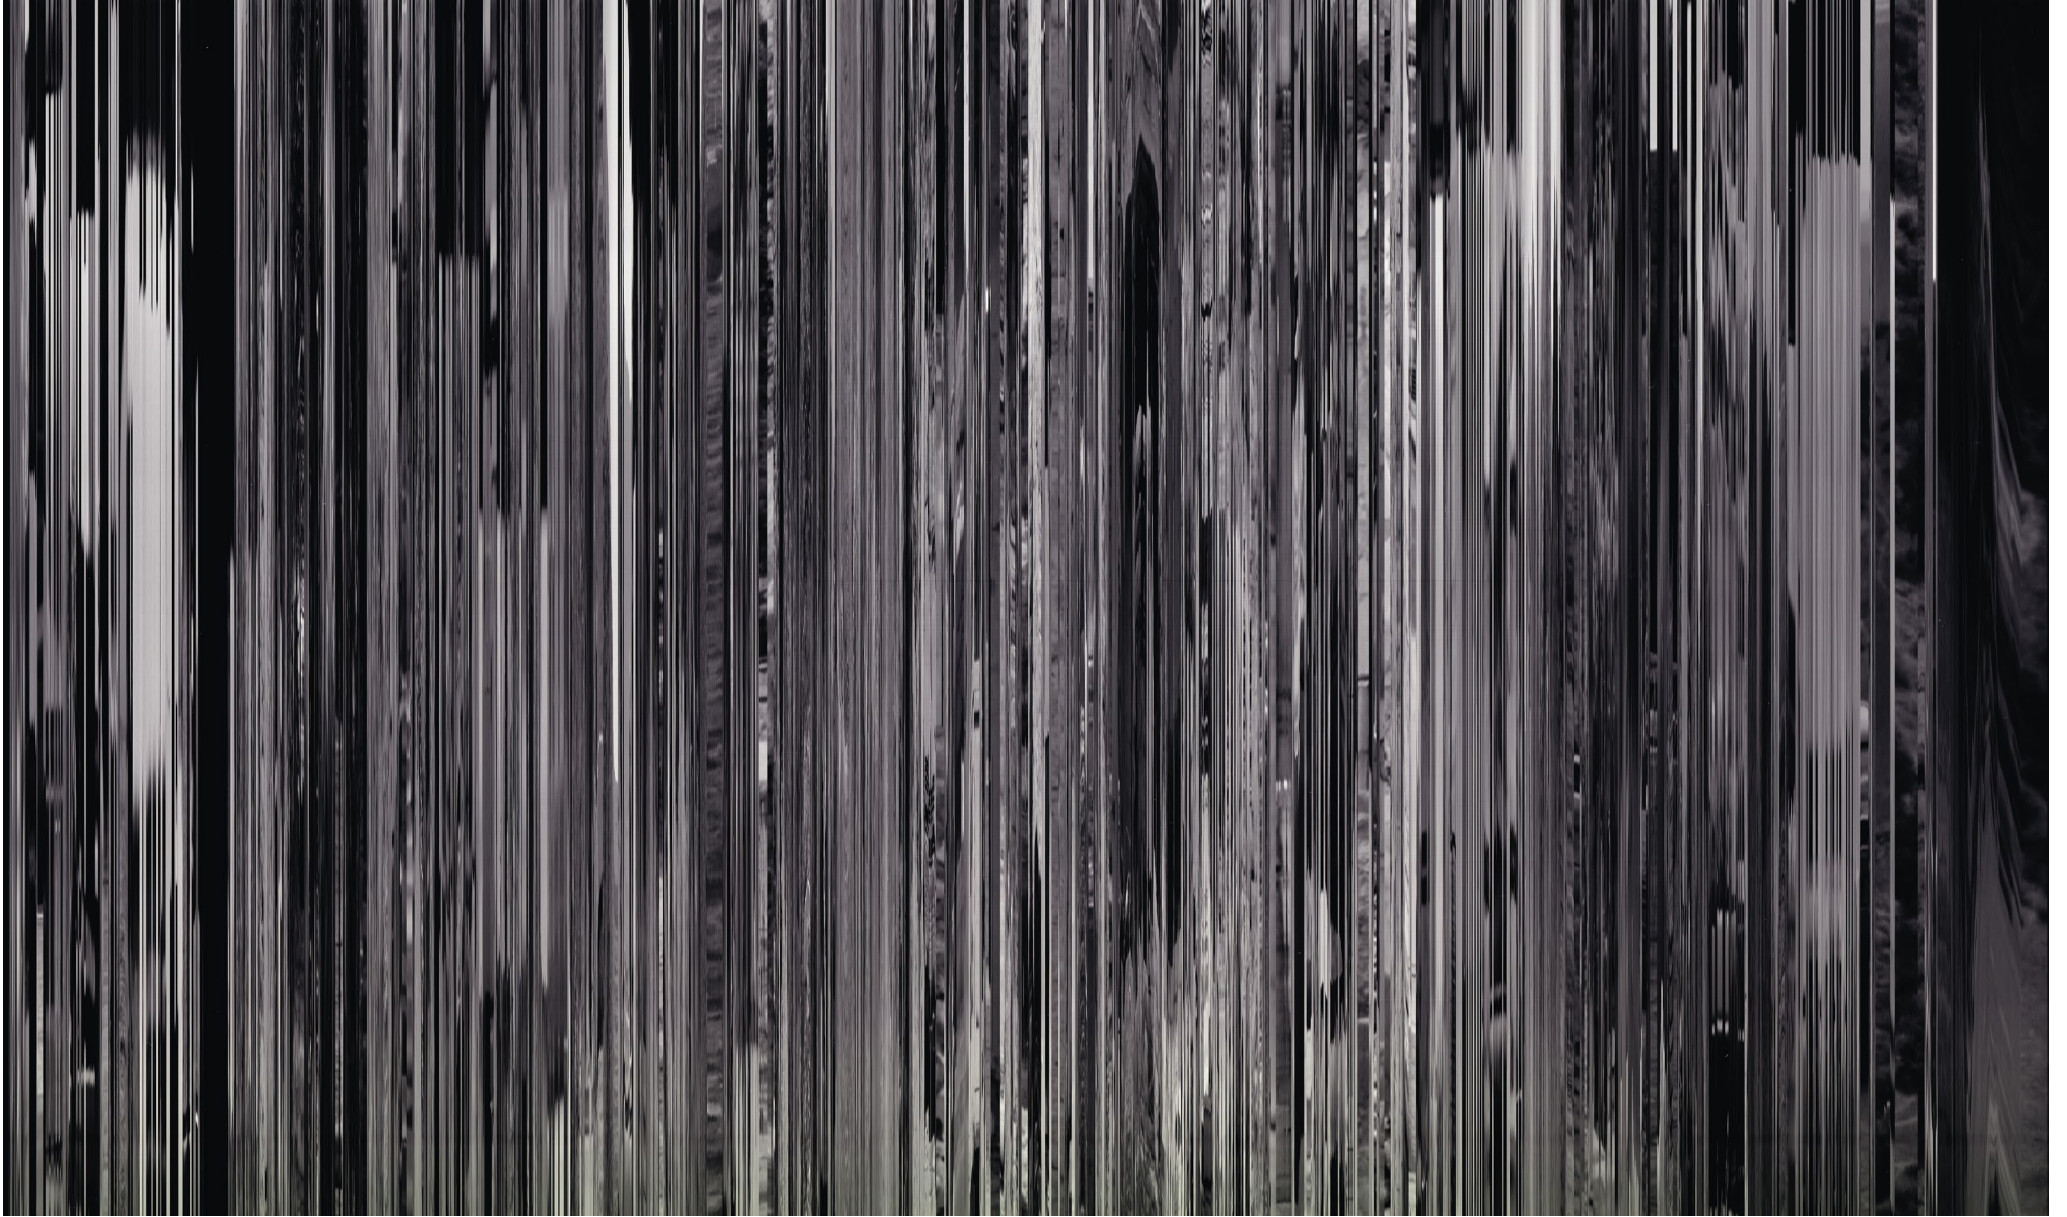

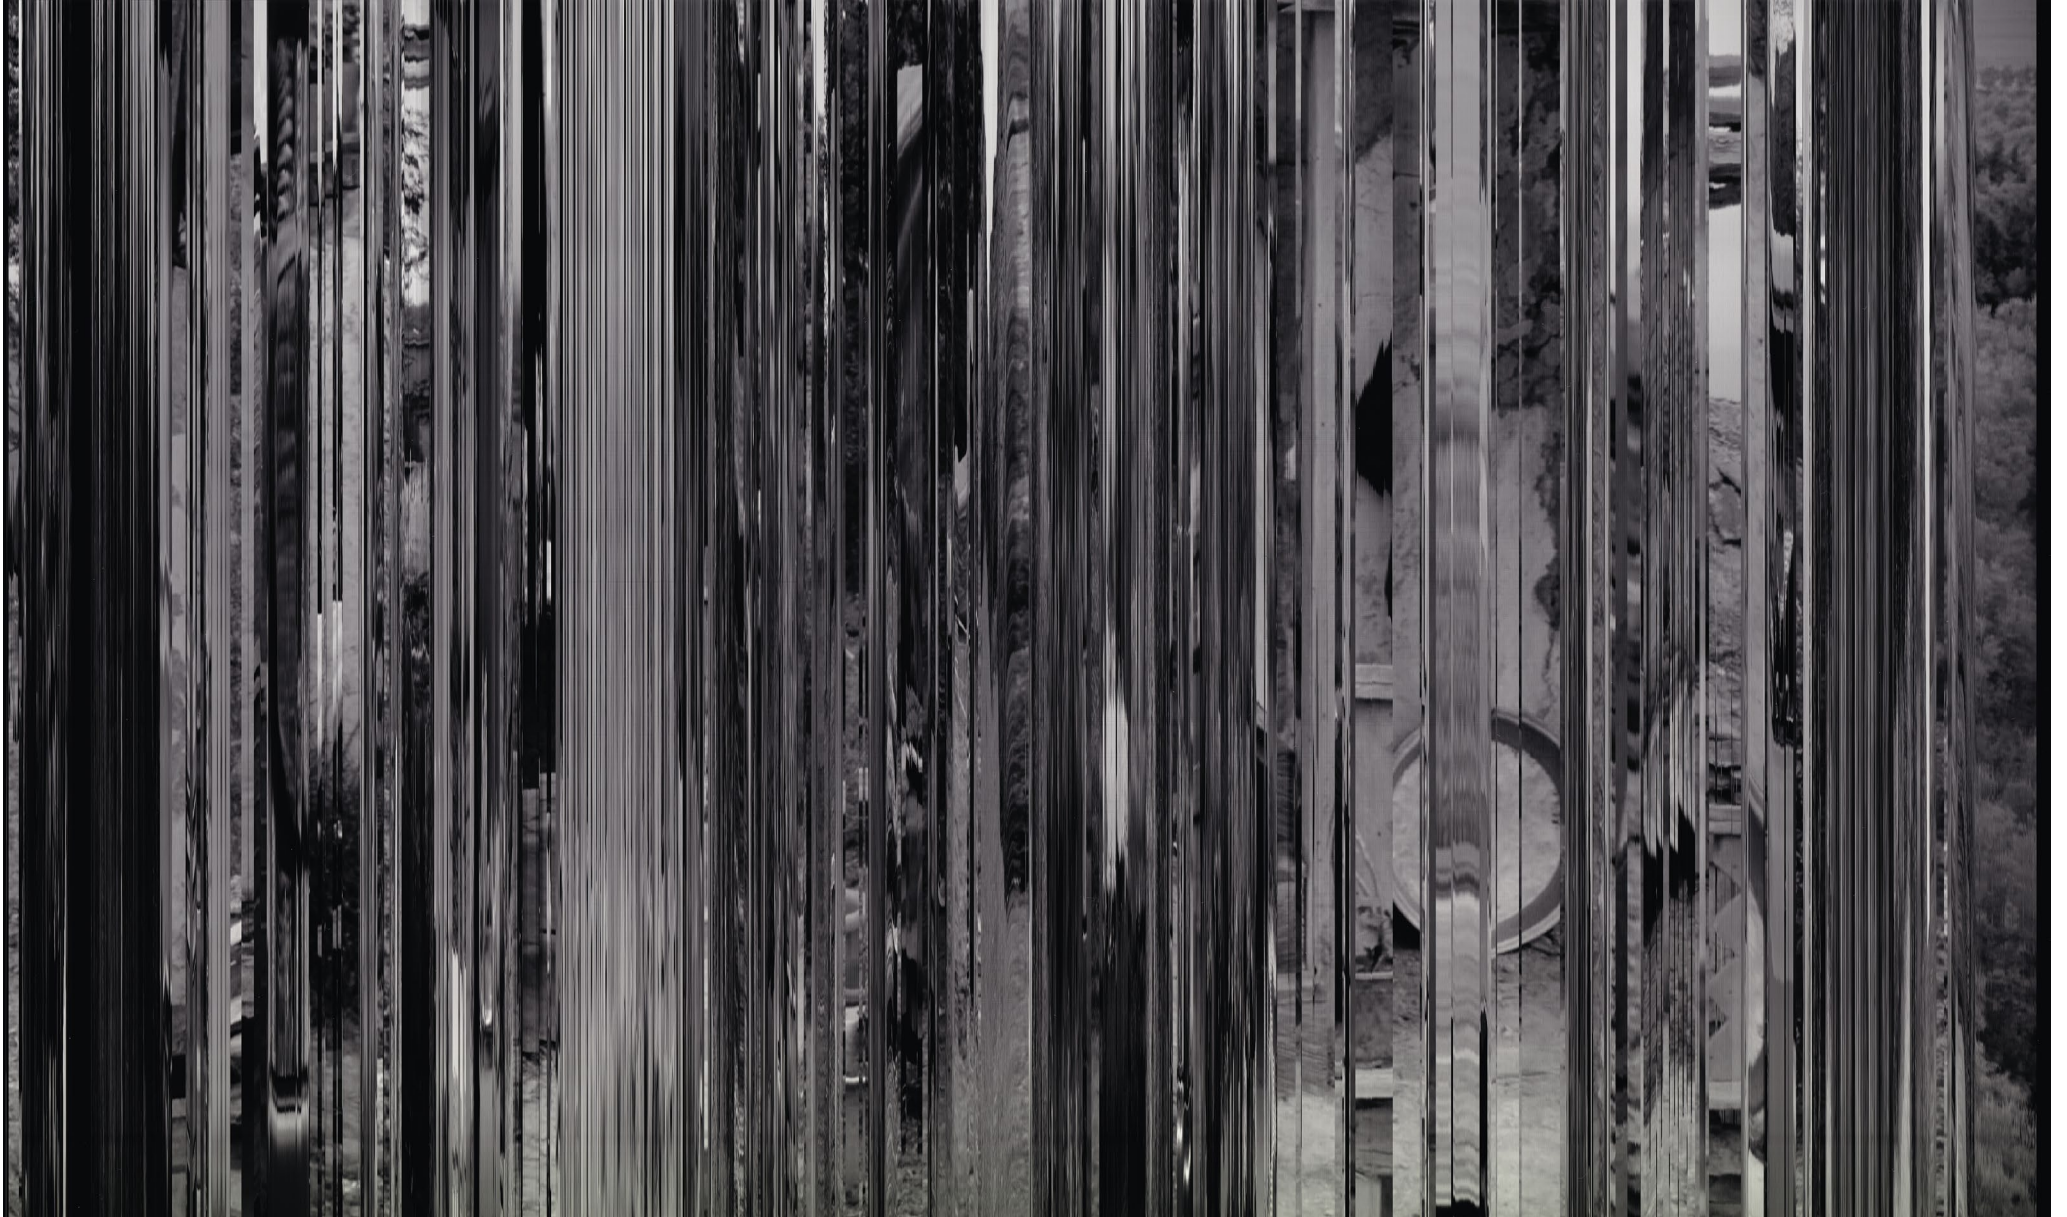

Where is the Friend's House?

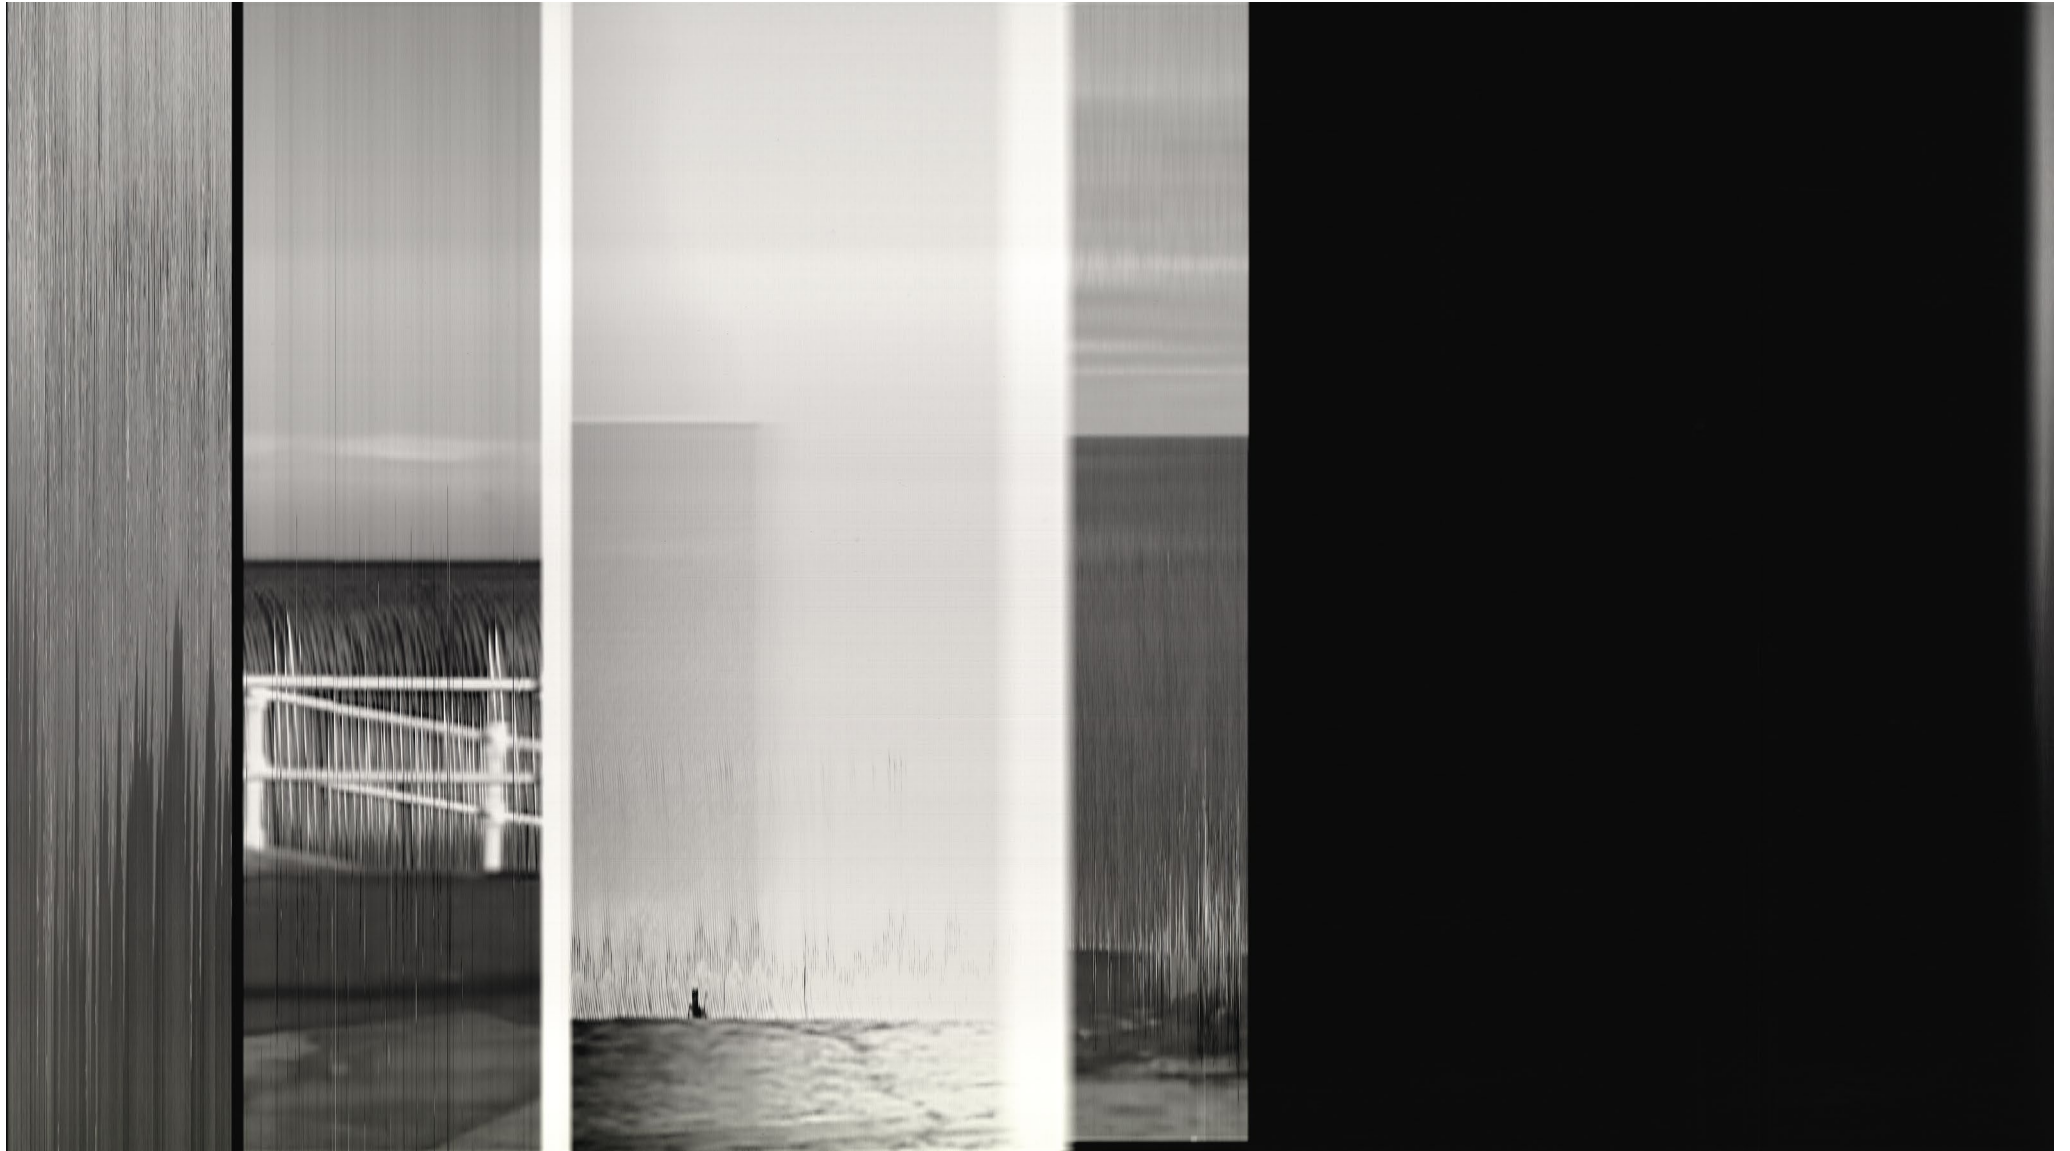

And Life Goes On

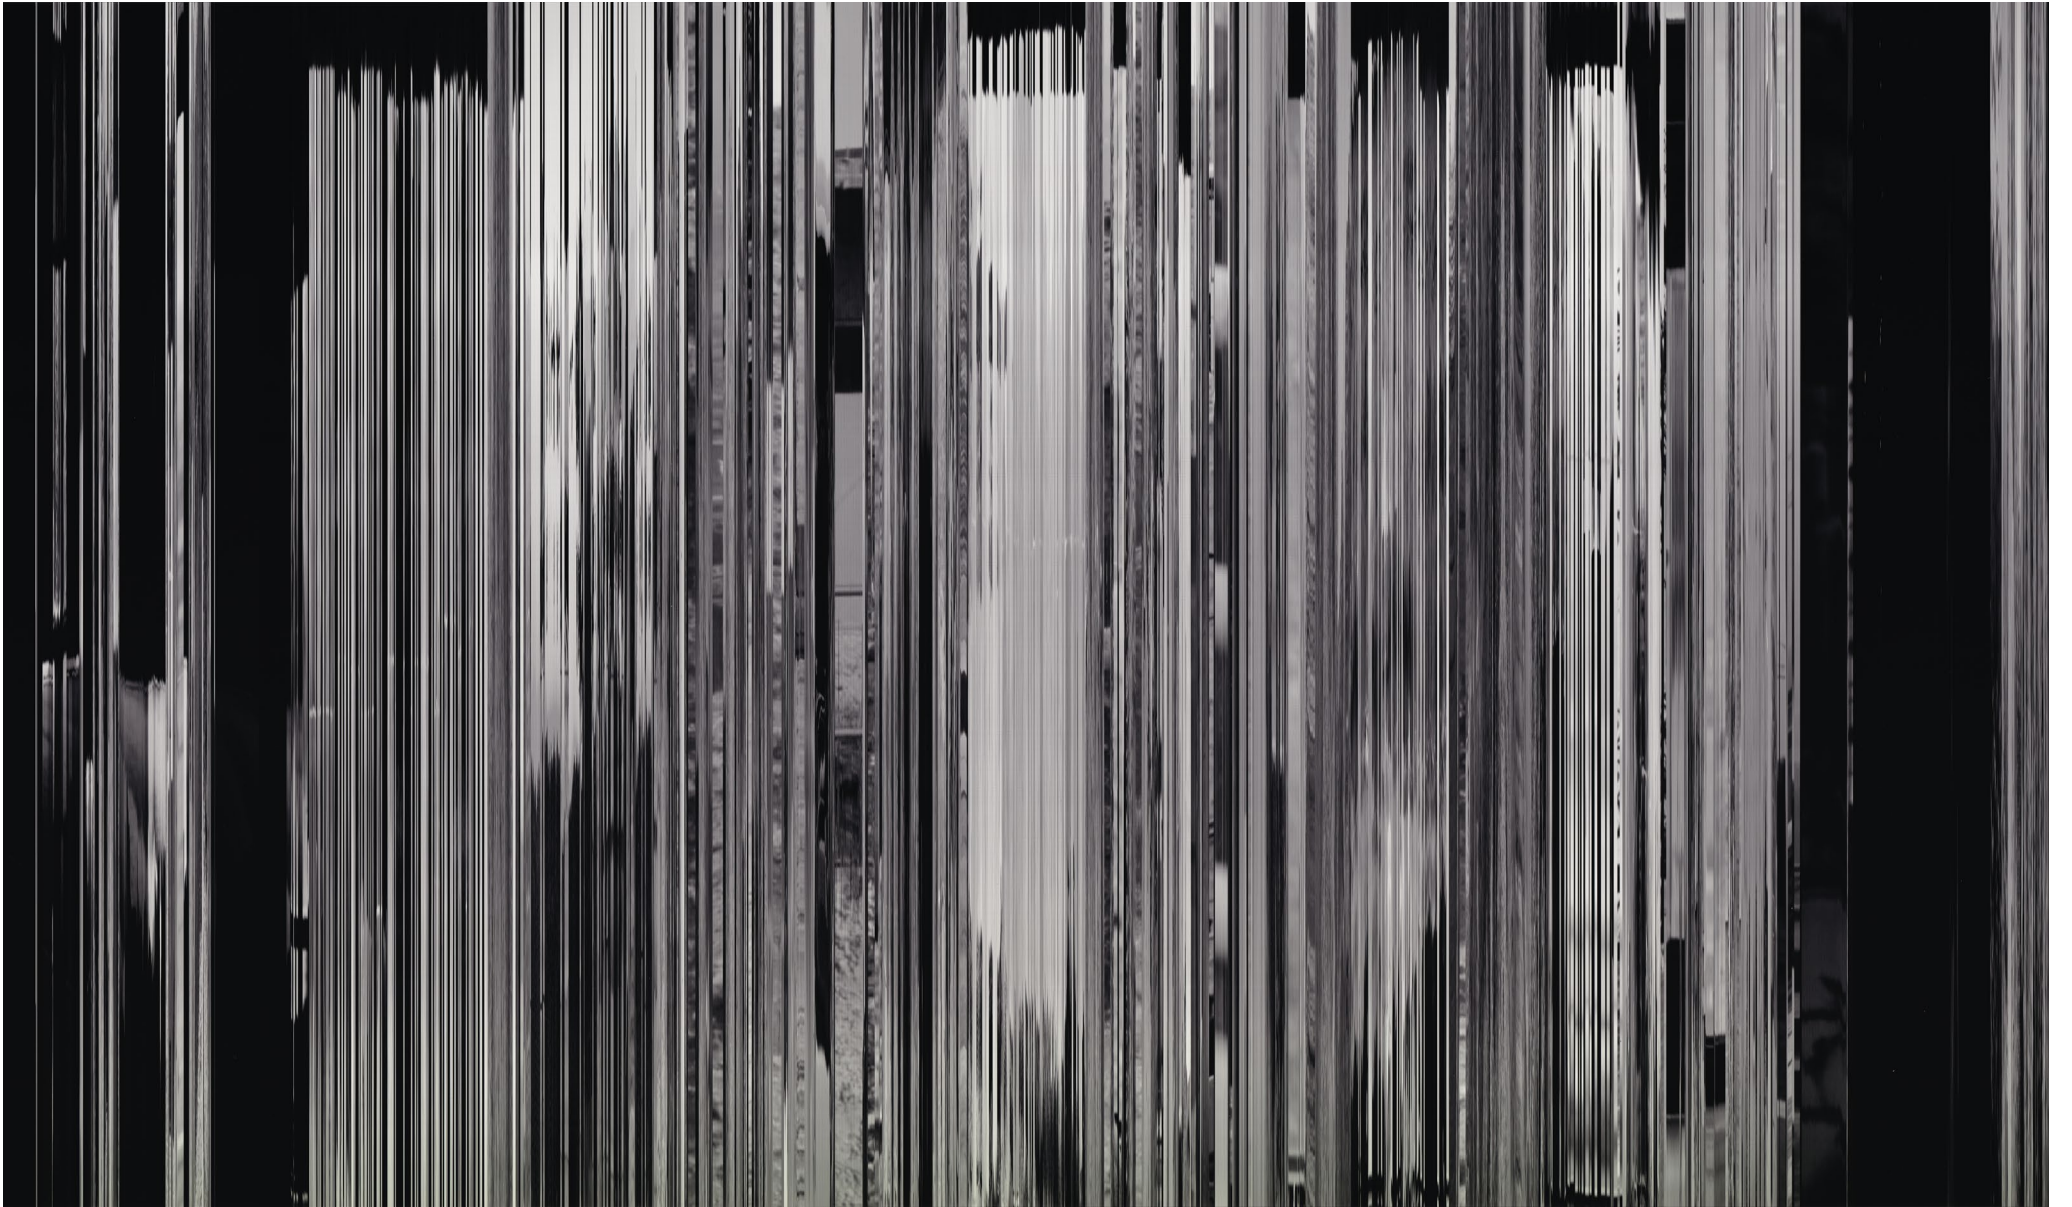

Through the Olive Trees

The Wind Will Carry Us

Each of the ten images is a scan of an entire film. The left edge of the frame coincides with the start of the film, the centre the middle, the right edge the end.

The films were directed by Abbas Kiarostami. The title, *Image Maker*, is taken from the retrospective of Kiarostami's work held between the Museum of Modern Art and P.S.1. in New York in 2007.
